KATA PENGANTAR

All praise to Allah SWT and shalawat to the Prophet Muhammad SAW. Greetings and happiness to the loyal readers of the At-Tarbawi Scientific Journal: Journal of Education, Social, and Culture. We are pleased to present the latest edition of this journal, which is the result of the collaboration and dedication of a passionate editorial board team. The editorial board of At-Tarbawi Scientific Journal: Journal of Education, Social and Culture consists of experts in their fields who are highly committed to improving the quality and relevance of scientific knowledge. Through strict curation and careful selection, the editorial board aims to present high-quality works that make a real contribution to the development of science.

Volume 11 number 1 of 2024 covers a wide range of topics, reflecting the diversity of research conducted by academics and researchers in various disciplines. We are confident that each article herein adds significant value to our understanding of various aspects of science. We want to thank the authors who have contributed with their works. Without their dedication in exploring and deepening knowledge, this journal would not have reached the level of excellence it has attained today.

Hopefully, At-Tarbawi Scientific Journal: Journal of Education, Social and Culture can be a source of inspiration and insight for readers and can make a positive contribution to the development of science in the future. We invite readers to continue to support and actively participate in the dissemination and acceptance of science through participation in scientific discussions.

Finally, thank you for your support and enthusiasm for At-Tarbawi Scientific Journal: Journal of Education, Social and Culture. May this reading experience provide valuable insights and help enrich your knowledge.

Sincerely,

Editorial Board
